

Call for Papers

JOURNAL OF BEHAVIOURAL ECONOMICS AND SOCIAL SYSTEMS

BESS[®] is a peer-reviewed journal that builds on new insights from behavioural economics and social systems theories to tackle the pressing, complex challenges facing the world today.

journals.aau.dk/index.php/BESS

Areas / Topics

We welcome submissions that embrace a transdisciplinary approach to social science and/or employ experimental methods of inquiry.

Potential topics include behavioural economics, experimental economics, economic psychology, social cognition, social networks, law reform, social systems, artificial intelligence, human judgment and decision making.

We accept papers of varied lengths and styles to cater for our broad readership and spread ideas effectively.

BESS[®] Vol. 6, No.2
